## **Missouri Amendatory Endorsement - PDU223**

---

In the **General Provisions** section, the following provisions are revised:

### **Conditional Reinstatement**

If **we** mail a cancellation notice because **you** didn't pay the required premium when due, **your** policy will terminate on the date and time shown on the cancellation notice. If **you** tender payment by check, draft, or other remittance after cancellation of the policy, and the check, draft, or other remittance is honored, **your** policy will reinstate, with a lapse in coverage, on the date such payment is accepted by **Allstate**. This means that **Allstate** will not be liable under this policy for claims or damages that occur after the date and time indicated on the cancellation notice and before the date and time indicated on the reinstatement notice.
